Saturday: October 23, 2022 - Tour of Lancaster, PA and The Underground Railroad Experience

In addition to the performance of 'Queen Esther', this trip includes a guided tour of Lancaster County's old-fashioned charm and homespun warmth that stems from the Amish community. The tour will take us through scenic Pennsylvania Dutch Country where we will discover Amish Communities where life moves at a slower pace and centers around time-honored traditions and values. You'll find beautiful scenery dotted with one-room schoolhouses and wooden covered bridges, modern farm machinery being pulled behind four-and six-mule teams, homemade clothing and quilts gently blowing in the breeze, and where you'll hear the clip-clop of horses' hooves echoing down quiet country roads. We will stop at road side stands, craft store, and an Amish Bakery. We will also spend time at Kitchen Kettle Village, which boasts 42 shops, homemade Pennsylvania Dutch sweets, and delicious canned goods.

The Underground Railroad Experience is an excursion into the heart of Lancaster County, PA, tells the story of slavery from its beginning in Colonial America, with a focus on the flights to freedom via the Underground Railroad and the heroes who surfaced, most little known. Our "Free Man" encounter is purposefully not with a "slave," but with a free African American, thus presenting a different view of the Black community of the time, revealing how Blacks and Whites worked together in this struggle.
