Terms and Conditions

Vacation Protection Insurance is available and highly recommended. Visit my website at paradisetravels1.com/resources to learn more about vacation protection insurance.

Travelers planning overseas trips are responsible for knowing the rules for entering the countries they want to visit. A good source of up-to-date information about passport validity is the U.S. Department of State's travel website (travel.state.gov), which lists entry requirements by country. Would-be travelers should also consult the embassy websites of countries they want to visit.

As visa and documentation requirements vary by country and are subject to change, all guests are encouraged to contact their local immigration office, or the embassy or consulate for each country they will visit on their cruise to verify current entry requirements. It is the guest's responsibility to obtain visas and other documentation prior to travel, including vaccinations for infectious disease. Check with your primary care physician prior to your travel regarding any required vaccinations and medication.

Proof of Citizenship: Valid proof of citizenship is required for all passengers. Current requirements specify a valid US passport. Some countries require that passports be valid for at least six months after the end of your trip.

IMPORTANT NOTE: Central Holidays requires passport copies for ticketing purposes. If we do not receive them, Central Holidays, cannot be responsible for any mistakes and/or changes that need to be made to the ticket. Any changes that result in additional costs will be charged to the passenger.
