### Vacation Protection Insurance Waiver

For your protection, we strongly recommend that you purchase vacation protection insurance. However, no representation or description of the insurance made by our staff constitutes a binding assurance or promise about the insurance. The cost of vacation protection insurance is nonrefundable.

If you have pre-existing conditions and want coverage for those conditions, vacation protection insurance must be purchased within 14 days of your deposit. Please submit a separate payment for vacation protection insurance.

Please visit my website (paradisetravels2.com) for more information on travel insurance or you can call me for a quote:
